**TO AVOID MISTAKES OR MISUNDERSTANDING
PLEASE READ THIS PAGE BEFORE ORDERING. WE
WILL POSITIVELY DO ALL THAT WE CLAIM AND IN
MANY CASES MORE BUT CANNOT BE RESPONSIBLE
FOR YOUR MISTAKES.**

WE ABSOLUTELY GUARANTEE PERFECT SATISFACTION and if on receiving your order or later you feel that you have not received full value in every way let us know and we will either refund your money or make other restitution. But remember no one is perfect and if we make a mistake and you do not give us a chance to make it right you have no one to blame but yourself.

If it becomes necessary we reserve the right to change these prices but if they have advanced we will notify you before shipping.

If sold out of any variety ordered, unless you instruct us to the contrary we will substitute with the nearest we have.

BE SURE YOU READ THIS—DELIVERY CHARGES

If your order is to go by Parcel Post or Express we will repay all charges on seed. On Onion Sets, Plants and All Other Items add 10% to the amount of your order with a minimum of 10 cents.

TERMS:—If you have traded with us before or furnish satisfactory references we will be glad to extend reasonable credit. If not please send check, cash, money order or stamps.

WHOLESALE PRICES

To florists, market gardeners or others who use large quantities we will be glad to quote special prices.

SPECIAL CLUB ORDERS AND AGENTS

We make a liberal discount to organizations or for neighborhood club orders. We also have every year quite a number who take orders among their friends and in this way earn quite a nice little sum. Write for Club Discounts or Agents Terms.

JUNIOR PROJECT OR 4H CLUB GARDENERS

As our part in encouraging the 4-H Projects we have given a discount and are continuing the same this year. **BUT IN ORDER TO GET THIS DISCOUNT YOUR GARDEN MUST BE REGULARLY ENTERED AND GROWN UNDER THE RULES OF THE CLUB.** Owing to the high cost of many varieties this year our discount will be 25%.

We give no warranty express or implied as to description, quality, or productiveness of any seeds, bulbs or plants we sell and we will not be in any way responsible for the crop. If you do not accept them on these terms return them at once and get your money back.

Clayton E. Risley.

VEGETABLE SEEDS

For twenty three years we have been testing the standard varieties as well as many of the newer introductions in Vegetable and Flower Seeds, our object being to discover the real merits of the various kinds and especially their adaptability to our soil and climate. We have found many varieties that in some soils and climate may be excellent but with us here are of little value. On the other hand some that are not so highly rated are just what we want. The list in our catalogue may not be so large as that found in many others but it contains those varieties on which we get repeat orders year after year together with those newer varieties we have tried out and found promising.

HERBS

Every year there is more call for Herbs. People are learning they are easy to grow and add a great deal to the menu in flavoring soups, salads, cold drinks and in many other ways.

Anise. Seeds are used to flavor bread, cake, cookies and candy. The green leaves in salads. annual.

Balm. Leaves have alemony minty fragrance. Used in fruit drinks.

Sweet Basil. A spicy taste fine for salads, dishes containing tomato or cheese, soft drinks or soup. Annual.

Caraway. Have you forgotten the caraway cookies you used to steal from grandma's cookie jar. Biennial.

Borage. Leaves and flowers give an unusual flavor to cold drinks.

Coriander. Used in flavoring candy. Annual.

Dill. How about those dill pickles. Annual.

Lavender. Why pay \$2.00 a bottle for perfumes. Lavender leaves are better. Perennial.

Sweet Marjoram. For flavoring poultry dressing, salads or soup. Annual.

Rosemary. Excellent for meats and soups. Annual.

Sage. Don't forget your Thanksgiving turkey.

Savory. Used in dressings, with peas and snap beans and salads.

Thyme. Used principally with other herbs for seasoning.

All Herbs five cents per pkt or a smaller size pkt of each 13 in all for 40 cents.

VEGETABLE PLANTS

In Vegetable Plants we grow only the best varieties and as to quality the volume of business answers that. All those excepted Field Grown or Pot Grown are transplanted and root pruned making stronger root growth and stocky plants.

The prices quoted are for plants at the greenhouse or for nearby delivery. If you want them packed and shipped add 10% to the amount of your order.

If you grow in quantity we will take contract orders at special prices but such orders must be placed before March 15th.

FLORAL DEPARTMENT

Our Floral Work will be handled by Mr. L. E. Reed, a graduate of the Boston School of Designing and with years of experience. He was classed as one of the best designers in New England. You as well as we are fortunate in having the services of a real florist artist.

NURSEY DEPARTMENT

Our Nursery and Perennial work for the past two years has been somewhat neglected but we are starting a fine lot of young plants and by another season shall have a good assortment of Quality Plants. We have some Perennials and Shrubs this year of good quality which we will be glad to show you and sell at very reasonable prices.

A WORD ABOUT QUALITY. Two packets of seed may look exactly alike, both may be labeled honestly with the same name, yet one will produce strong hardy plants with an abundance of bloom while the other will produce small weak plants with fewer and smaller bloom. We handle the seed that will give the quality that brings repeat orders.

FLOWER SEEDS

Here in our nothern climate are many flowers we can not hope to grow to perfection. Our season is too short and our soil is too slow to warm up in the spring. On the other hand there are some that do fine, even better than in the hotter drier localities. In our twenty-three years of trial it has been our aim to select those which can be grown here with an assurance of satisfaction and success.

HOUSE PLANTS

We grow all through the year thousands of Plants for the home and to suit the varied tastes and pocket books of our many customers we have a very complete assortment both of the foliage plants such as Ferns, Ivies, Cactii, etc., and Blooming Plants of all kinds. Our Holiday assortments are especially fine for Christmas, Easter, Mother's Day and other special occasions.

LAWN GRASS SEED

Owing to very unusual market conditions it is impossible to quote prices on Lawn Seeds. We handle only a high grade quality and at prices as reasonable as can be found.

We take pleasure in announcing that we are the distributing agents for the new combination of lawn seed and lawn fertilizer known as "**FERTI-LAWN.**"

This new product is a boon to the small lawn owner as it combines in one labor-saving package a very superior blend of the very finest and purest domestic and imported true turf grasses with a mixture of fertilizing elements that promote a quick healthy growth of sod, and at the same time, discourage some of the more persistent lawn weeds.

By using "**FERTI-LAWN**" you both seed and fertilize your lawn in one simple operation, getting a more even distribution of the seed and a better, more permanent lawn. "**FERTI-LAWN**" is clean, odorless and easy to sow. One pound will sow 200 to 300 square feet.

Price: 2 lbs. 65c; 6 lbs. \$1.25; 10 lbs. \$2.50.

LAWN AND GARDEN SUPPLIES

We carry a very good line of Lawn and Garden Supplies but list in our catalogue those items which might be ordered by mail. In addition to those listed we carry Small Tools, Plant Supports, Trellises, Flower Bed Fencing and many other items. We try to supply practically everything for the garden and at reasonable prices.

These prices are at the store or nearby delivery. For shipping, add 10% with a minimum of ten cents for postage and packing.
